

Key Points**Wind**

As a Destroyer

It blows out the weak fire.

As a Creator

It flourishes a thing that is strong and determined.

It makes mockery of weaklings.

It encourages and nurtures strong fire.

It brings down frail houses, crumbling doors, rafters, and even weak hearts.

The wind god separates the strong people from the weak people.

It crushes everything that is weak.

If we are strong, then wind becomes our friend.

It destroys all things that are weak and feeble.

It helps strong to become stronger and better.
